

Workshop on
'Applications in Bioinformatics'

March 2-3, 2017

Organised by

Bioinformatics Centre

Tata Memorial Centre,

Advanced Centre for Treatment, Research and Education in Cancer (ACTREC)

Kharghar, Navi Mumbai - 410210

The DBT, Govt. of India funded establishment of a Bioinformatics Centre at the Cancer Research Institute in 1989. Over the years, the centre has developed very good infrastructure to serve the users from the institute as well as other organisations.

Theme of workshop: The two-day workshop with lectures and hands-on-sessions will cover the following topics.

- Structural Bioinformatics
- Molecular Modelling & Drug Design
- Next-Gen-Sequencing data analysis
- Basic applications in Proteomics
- Biological Databases & Sequence Analysis

Who can participate: We are targeting **Post M.Sc. / Ph.D. students / Research scientists / Academic faculty** who do not have exposure to the subject of Bioinformatics and/or the training to use its different components effectively for their research related requirements.

How to Apply:

Download the application form from ACTREC website www.actrec.gov.in under meeting section. Fill the application form completely and send e-mail to btis@actrec.gov.in by **February 13th, 2017**.

Selection process: The participant number will be restricted to 15 to ensure that everyone receives individual attention. Preference will be given to candidates from places without any DBT Bioinformatics Centre.

Registration Fees:

- Academic Institutes: ₹ 800
- Industry: ₹ 1600

Registration Fees need to be **paid in cash/ by DD** (in favour of Director, ACTREC) at the Bioinformatics Centre, ACTREC on the first day of Workshop.

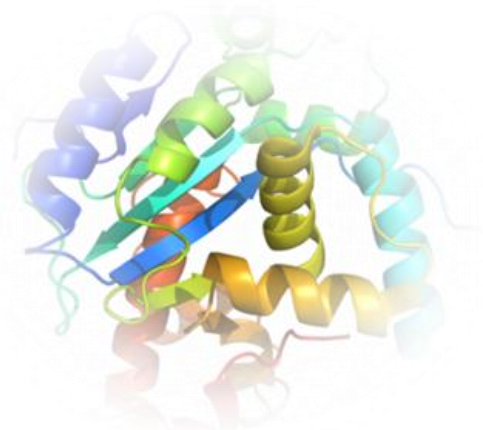

Instructions:

- ❖ List of selected applicants will appear on this website on **February 16th, 2017** and intimation to each of them will be sent only by e-mail
- ❖ Workshop material, breakfast, lunch and tea will be provided during the Workshop.
- ❖ Paid accommodation will be provided by the institute.
- ❖ TA/DA will not be granted to any participant.

Organizers:

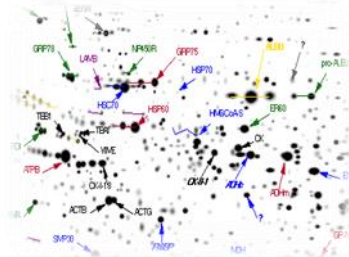

Dr. Ashok Varma
P.I. & Scientific Officer 'F'
Coordinator- Bioinformatics Centre

Mr. Nikhil Gadewal
Scientific Officer 'D'
Bioinformatics Centre

Sponsored by:

Department of Biotechnology (DBT)
