The existing "SECTION - 1: NOTICE INVITING TENDERS" OF "CONDITIONS AND CLAUSES OF CONTRACT - 2008" (P.5 & 6) in use for 2/3 bid TENDERING has been modified as per the requirement of e-Tendering. The modified VERSION OF THE SAME" is enclosed as CS-13 (Correction Slip - 13 to Conditions and Clauses of Contract -2008).
8	Proof of registration/associations with Government / Semi Government / Corporate Hospitals & having experience in execution of similar nature and magnitude of works .
9	Should have satisfactorily completed the works as mentioned below during the last seven years ending 31.03.2019 and on going works till the date.
10	Three similar works each costing not less than Rs.13.13 lakh each, or (40% of Estimation Cost)
11	Two similar works each costing not less than Rs.19.69 lakh each, or (60% of Estimation Cost)
12	One similar work costing not less than Rs.26.26 lakh (80% of Estimation Cost)
13	Similar works means, Supply & installation of HVAC and MGPS work etc.
14	The value of executed works shall be brought to the current costing level by enhancing the actual value of work at a simple rate of 7% per annum ; calculated from the date of completion to the last date of receipt of tender.
15	Annual turnover as per ITCC or profit & loss statement for the last 5 years (Average annual turn over for the last 3 financial years should be at least Rs.13.13 Lakh , not having incurred any loss in more than 2 years during last 5 years ending 31.03.19 (last Financial year).
16	The bidding capacity shall be equal to or more than the above respective estimated cost. The bidding capacity shall be worked out by following formula Bidding capacity = (A x N x 2) - B Where A- Maximum value of similar works executed in any one year during last 5 years taking into account as completed as well as works in progress. N- Completion of works in years. B- Value of existing commitments and ongoing works to be completed during the period of completion of work.
17	Should not have incurred any loss in more than two years during the last five years ending 31st March, 2019.
18	-
19	List of similar works in hand & similar works carried out by them for last 7 years indicating i) Agency for whom executed, ii) Value of work, iii) Completion time as stipulated and actual, or present position of the work.

20	List of construction plant, machinery, equipment, accessories & infrastructure facilities possessed by the agency to complete the work in time.
21	List of Technical staff they possess.
22	CERTIFICATES: (Scanned copy of original certificates to be uploaded)
i)	Performance Certificates
ii)	GST registration certificate
iii)	PAN (Permanent Account Number) Registration
iv)	Company Registration certificate
23	UNDERTAKING as under:- (Scanned copy to be uploaded at the time of submission of bid).
	I/We undertake and confirm that the contracted works shall not be got executed through sub- contractor on back to back basis. Further that, if such a violation comes to the notice of Director-TMC, I/we shall be liable to be debarred & black listed as the case may be for bidding in future. Also if such violation comes to the notice of department before date of start of work, the Engineer in-charge shall be free to forfeit the entire amount of Earnest Money Deposit/Performance Guarantee.
24	The intending bidder must read the terms and conditions as per "SECTION - 1: NOTICE INVITING TENDERS" OF "CONDITIONS AND CLAUSES OF CONTRACT - 2008" carefully. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required. Director-TMC reserves the right of Non-consideration of Tender documents of the agencies who are not fulfilling the NIT stipulations and / or having adverse report on the works carried out by them in the past.
25	Information and Instructions for tenderers posted on website shall form basis of of tender document.
26	Hard copies of Technical Bid shall be submitted in ACTREC before due date and time. Hard copies shall include all documents as uploaded online.
27	OBTAINING OF STANDARD DOCUMENTS: In addition to the above, the prospective bidders are required to possess all documents which form part of Tender Documents for this work. The required documents (Condition of Contract) can be downloaded from the ACTREC's website (tender section on www.actrec.gov.in). In case the agencies already possess these standard documents with them, the same need not be downloaded / purchased again. Printed books are available at the Engineering Services, TMC-ACTREC, Kharghar, Navi Mumbai- 400 210.
28	The bid can only be submitted after uploading the mandatory scanned documents such as Demand Draft or Pay order or Banker's Cheque or Fixed Deposit Receipts and Bank Guarantee of any Scheduled Bank towards cost of tender document and EMD in favor of "ACCOUNTS OFFICER, TMC-ACTREC" and Processing Fee in favor of "ITI LIMITED, NEW DELHI" and other documents as specified.
29	Those bidder who are not registered on the website mentioned above, are required to get registered. If needed, they can be imparted training for online bidding process as per details available on the website.
30	The intending bidder must have valid class-III digital signature to submit the bid.
31	On opening date, the bidder can login and see the bid opening process.
32	Certificate of Financial Turn Over: At the time of submission of bid, bidder may upload Undertaking / Certificate from CA mentioning Financial Turnover of last 3 years and including profit & loss statements and further details if required may be asked from the contractor after opening of technical bids. There is no need to upload entire voluminous balance sheet.
33	Bidder must ensure to quote rate of each item. The column meant for quoting rate in figures appears in YELLOW colour and the moment rate is entered, it turns SKY BLUE . In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as "0" . Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as "0" (ZERO). in the schedule of quantities, if rates are not quoted for items or if a firm quotes " NIL/N.A./Not applicable/----/ Leaving blank space etc." charges, the bid shall be treated as unresponsive and will not be considered. DO NOT use vague terms. Insert required information with clear meaning in technical bid & financial bid.
34	The Director-TMC reserves the right to accept / reject any prospective application without assigning any reason thereof.
35	Short listing of the bidders shall be subject to thorough verification of their credentials and inspection of works carried out by them, through a Technical Evaluation Committee of experts, constituted by TMC
36	IF ANY INFORMATION FURNISHED by the bidder is found to be incorrect at a later stage, they shall be liable to be debarred from tendering / taking up works in TMC.
37	PROSPECTIVE BIDDER SHALL SATISFY THEMSELVES OF FULFILLING ALL THE NIT CRITERIA BEFORE SUBMISSION OF TENDER. Director-ACTREC reserves the right of non consideration of tender of the bidder not fulfilling the stipulated criteria.
38	Any Additional work needs to be executed for completion of work, CPWD DSR 2018 rates will be considered or cost analysis method

39	TMC does not guarantee opening of the tender immediately after the closing date and time due to reasons beyond its control and hence tenders can be opened after the due date and time also. It will however will be ensured that no offers are submitted after tender closing date and time. Bidder cannot submit/modify any offer or attach any file to it after closing date and time as stipulated in the tender notice. System does not permit any alternation, modification, deletion of any entry or condition, offered by the tenderer in the e-tender, after closure of the virtual date and time.
40	TMC will not be responsible for any kind of technical problem at Bidder's end in case of difficulty in up loading of tender. Bidders are adviced to finish the uploading of tender well before time. No tender will be accepted by ACTREC at later stage that could not be uploaded because of unforeseen technical problems.
41	Bidders who have successfully up loaded the tender documents and forwarded physical (hard) copies of the Technical Bid before due date and time will only be considered. Please note that bidder will have to finish both the activities to proceed further. Otherwise bidders will be disqualified.
42	All papers submitted with the tender should bear the signature and stamp/seal of the bidder on every page.
43	All information in this tender shall be in English only.
44	Rate quoted should be in Indian currency only.
45	Tender containing clerical errors, typographical error/ arthrmetail mistake may be lible to be rejected.
46	All the rates quoted shall be exclusive of all taxes.
47	Only one rate shall be offered for the Item. Multiple rates against one items shall be rejected.
48	The bidder shall quote rates which shall remain valid for acceptance by TMC for a perios of 12 months or stipulated time limit as mentioned in the tender documents.
49	Only lowest offer may be considered for financial negotiations.
50	Performance Gaurantee: Performance Gaurantee will have to be submitted at the rate of 5% of the contract value valid for 2 Months after completion of work to be submitted within 15 days of issue of Letter of Intent.
51	Security Deposit will be deducted @ 2.5% of work order value from the running bills and will be refunded after completion of defect liability period of three Year.
52	Submission of more than one Tender by a particular Tenderer under different names is strictly prohibited. In case it is detected later that this condition has been violated all the tenders submitted by Tenderer would be rejected or cancelled and earnest money or security deposit will be forfeited in addition to such legal action as may be deemed fit and proper.
53	Canvassing in connection with tender/quotation is strictly prohibited.
54	Director-TMC reserves right to reject any or all the quotations or allot part of the work to different agencies without assigning any reason.
55	Mode of measurement will be as per the guidelines laid in the Departmental conditions of contract & technical specification.
56	Awarding work order will be strictly as per departmentle norms/policies as decided by Competent Authority of TMC.

I have read the Above instructions carefully and understood in right perspective.

A GRANT-IN-AID INSTITUTE UNDER DEPARTMENT OF ATOMIC ENERGY, GOVERNMENT OF INDIA

Tender No:	TMC/ACTREC/Engg/HT/Hot water System/ET-78/2020
Tender Name:	Supply, Installation, Testing & Commissioning Hot Water System and MGPS at BMT wards of Homibhabha Cancer Hospital, Varanasi.

SPECIAL CONDITIONS OF CONTRACT

NAME OF THE AGENCY	
1	<u>ELIGIBILITY CRITERIA:</u>
a)	It must be noted that the tenderer should not have been blacklisted by any Government Agency/Institutions of local self Government / Public Sector in India under any contractual relation with them or facing process of penal action as such on complaints of quality. Director, TMC reserves the right for insisting upon submission of Satisfactory Performance Certificate issued by any such agency.
b)	There shall be a screening/verification committee appointed by Director TMC to examine the list of documents and to verify credibility of the tenderer based on the performance certificate issued/site visit and desirable as per terms & conditions attached to the Tender and to report in details on the eligibility of tenderers for further examination to the competent authority. The Tenderers are required to produce the original documents for verification if required for the screening/verification committee.
c)	Tenderer who carried out similar nature and magnitude of work i.e. Supply & installation of HVAC work and MGPS work
d)	Lowest bidder will be identified on the basis of total basic cost quoted in financial bid those who have already qualified in technical bid.
e)	Bidders should have their office / technical support team in the vicinity of Varanasi
f)	Competent Authority reserves right to accept or reject the offer in whole or in part and award the work in whole or in part, as per norms/policies accepted by the centre.
2	<u>Scope of Work:</u>
	1. HVAC, MGPS and other related works at HBCH, Varanasi
	2. Transportation of related materials from the factory/ coustomes (if imported) to HBCH, Varanasi installation site respectively, unloading, keeping the same at site appropriately for execution and installation thereafter.
	3. Agency to submit all relevant documents, test reports/certificates, as laid dwawing, warantee cards, post installation servicing during warantee period etc.
	4. Agency to give 1 year warrantee for the system after handing over the system i.e.Agency to provide service and maintenance support during defect liability period at free of cost.
	5. All the features/functionalities must be shown and tested before completion certificate is issued for settlement of final payment. Bill will be settled as per actual measurement.

	6. HBCH is a running institution having OT / BMT / ICU etc. hence, agency should appoint qualified and experienced project manager to schedule and implement the project with least disturbance to ongoing works/patients and their relatives.
	7. Agency should submit all the necessary catalogues, Brochures , as laid drawings/schematic, test reports, certificates, undertakings etc. as required before settling of payment.
	8. Agency should provide training to Engineering for operation & maintenance. Operational training to HBCH staff is to be given in HBCH itself without any additional cost.
	9. Work is to be done at HBCH Varanasi. Material delivery may be done at sites accordingly. Once the order is issued, agency to contact respective engineer-in-charge for administrative activities, challans, gate pass, submission of bills, any other site related activities etc.
	10. During the installation process damage insulation/under deck insulation should repair by the contractor without any additional cost.
	12. Agency must be capable to handle this turnkey job that includes related HVAC & MGPS of the centre with desired functionality.
	13. Schematic/SLD/block or conceptual Dia/layout/GA drawing to be prepared by the agency. Approval must be sought on the drawings before actual commencement of work.
	14. All equipment/material and functional responsibility are in bidders scope till handing over.
3	Inspection & Test:
a)	The Purchaser shall have the right to inspect and/or test the equipment for conformity to the Contract Specifications
b)	In case any inspected or tested equipments fail to conform to the specifications, the Purchaser may reject them and the supplier shall either replace the rejected equipments or make all alterations necessary to meet specification requirements free of cost to the Purchaser. The purchaser is open to charge any penalty in this regard.
c)	Supplier shall provide installation and standard tests for the individual equipment before the delivery of the system at site.
d)	The supplier shall test each individual equipment and the complete system after installation at site and prepare a test report. This shall be compared with the factory test report to ensure that there is no deterioration in the equipment parameters during storage, transportation and installation.
e)	Leaflets, equipment manuals (hard copy, Compact Disk, DVD etc) and literature should be attached for ready references alongwith complete documentation of all the measurements conducted during installation period which shall be submitted by the supplier for future reference.
f)	The technical problems faced during installation, testing and commissioning period and their solutions shall be submitted by the supplier at the time of handing over the completed works.
g)	For the purpose of taking over the equipment/system supplied pursuant to this contract, an acceptance test shall be carried out at the Purchaser/Consignees destination site. The equipment which meets the acceptance test shall only be accepted by the Purchaser.
h)	(a) Acceptance Test at site shall be conducted of individual equipment and complete system to ensure that individual equipment and complete system meets the technical specifications and other operational and technical requirements of tender

i)	(b) The Purchaser shall have the right to reject any individual equipment or complete system, if in its opinion the same does not meet technical specifications, operational or technical requirements. The decision of the purchaser in this regard shall be final
j)	(c) The delivery, installation or commissioning shall not be deemed to have been completed unless all the equipments and systems are accepted by the purchaser
2.21	Before the equipment is taken over by the Purchaser/Consignee, the Supplier shall provide manuals of the equipment/systems. This shall include the following: i) System Interface Drawings, Wiring diagrams ii) System Interconnection and Block diagrams iii) User Operation Manuals iv) Equipment Maintenance Manuals
5	<u>PRICE BID</u>
a)	The tenderer should quote the price exclusive of all taxes and levies of the each items on the Schedule of Quantity enclosed with the tender documents and signature & stamp thereon each page, in separate sealed cover, super scribing name of work indicating 'PRICE BID'. (Price bid submitted other than above form will be rejected). Partial/incomplete offers are liable for rejection as the entire work is considered as one work and L1 will be decided by adding rates/amounts quoted for entire items of Schedule of Quantity as a composite work. If the tenderer does not qualify himself in the technical bid, the price bid offered will not be entertained. In case of unsuccessful bidders in the technical bid, price bid will not be opened and would be returned (if required). Price Bid is only in the form of ON LINE version.
b)	in the schedule of quantities, if rates are not quoted for items or if a firm quotes " NIL/N.A./Not applicable/----/ Leaving blank space etc." charges, the bid shall be treated as unresponsive and will not be considered.
c)	Validity of rates: 120 Days from the opening of the tender.
d)	Defect Liability Period: 1 Years comprehensive warranty after handing over of project.
e)	Stipulated time for completion of work : 4 months
6	<u>LIQUIDATED DAMAGE</u>
a)	Successful tenderer will have to commence/execute the work as per the order placed by email/soft copy/LOI/Work order within the stipulated time period mentioned in the order. In failure to do so, the performance security submitted by the firm will be forfeited. In the event of the contractor fail to comply with conditions of this contract, he shall be liable to pay a compensation for non commitment of work as per order or for the delay an amount equal to 1.0% per month delay to be computed on per day basis, provided that the entire amount of compensation to be paid shall not exceed 10% of the estimated cost of the work. If the work is not completed within the stipulated time period as mentioned in the work order or inferior nature of work, the engineer in-charge has the right to terminate the whole work or part and get the work done from other agency at the risk and cost of tenderer and access money will be recovered from any dues. Liquidated damage can be recovered from EMD, Performance Security, Security Deposit or running bills of the Tenderer. Extension in delivery of work will not be given except in exceptional circumstances. The defaulting tenderer will be debarred from participant of any tender of ACTREC.
7	<u>ARBITRATION</u>

a)	In the event of any dispute arising between ACTREC and the contractor in any matter covered by this contract or arising directly or indirectly there from or connected or concerned with the said contract in any manner of the implementation of any terms and conditions of the said contract, the matter shall be referred to the Director, ACTREC who may himself act as sole arbitrator or may name as sole arbitrator an officer of ACTREC/TMH notwithstanding the fact that such officer has been directly or indirectly associated with this contract and the provisions of the Indian Arbitration Conciliation Act, 1996 shall apply to such arbitration. The contractor expressly agrees that the arbitration proceedings shall be held at MUMBAI/NAVI MUMBAI.
8	<u>DIRECTOR-ACTREC/THE TENDER COMMITTEE / TENDERING AUTHORITY / UNDERSIGNED RESERVE THE RIGHT:</u>
a)	To reject any / or all the Tenders at any stage without assigning any reason there of and not accept the lowest Tenders.
b)	To invite fresh offers from the open market or negotiate with other tenderers quoting higher rate to come down to the lowest rate of the item offered by the competitors in the tenders.
c)	To procure any item of the tender directly from State / Central govt. Undertaking at government rate even if a tender of other parties for the same item has been offered / accepted / approved.
d)	To reject abnormally low price of an item quoted by the tenderer in the Tender with some malafide intention.
e)	Officer authorised on behalf of the Director-TMC does not bind himself/herdelf to accept the lowest or any other offer & reserve the right to cancel, reduce or split the contract on more than one source without assinging any reason for such action.
f)	DIRECTOR-TMC reserves right to accept the tender in full or part with out assigning any reason.
9	<u>RISK PURCHASE</u>
a)	In the event of failure to execute the contract to the satisfaction of the engineer in-charge he has the reserves the right:
b)	To reject any part of the contract executed and withhold payment for such portion of the contract till such time the defects are rectified to the satisfaction of the Engineer In-charge.
c)	To terminate the contract by giving 2 weeks notice in writing without assigning any reason and to get the contract executed by other agency at the risk and cost of the contractor.
10	<u>GENERAL LIEN</u>
a)	Whenever under this contract any sum of money is recoverable from and payable by the contractor, ACTREC shall be entitled to recover such sum by appropriating in part or in whole the security deposit of the contractor, if a security is taken from the contractor. In the event of the security being insufficient or if no security has been taken from the contractor, the balance or the sum recoverable, as may be shall be deducted from any sum duo to the contractor or which at any time thereafter may become due to the contractor under this or any other contract with the ACTREC. Should this sum be not sufficient to cover the full amount recoverable, the contractor shall pay to the ACTREC on demand the remaining balance due.
11	<u>RECTIFICATION OF WORK/REPLACEMENT OF DEFECTIVE SUPPLY</u>

a)	In any supply item or any part of work is found defective or fails to meet the requirements of the contract before it is accepted, the ACTREC shall give the contractor a notice setting forth details of such defects or failures and the contractor shall forthwith arrange to set right the defective work or replace the defective supply by the good one to make it comply with the requirements of the contract. This in any case shall be completed within a period not exceeding one month from the date of the initial report pointing out the defects. The replacement or rectification shall be made at site by the contractor at free of cost. Should the contractor fail to do the needful within this stipulated time frame, ACTREC reserves the right to reject the work/equipment in full or in part and get it replaced at the cost of the contractor. The cost of any such replacement made by the ACTREC shall be deducted from the amount payable to the contractor against this work order.
12	<u>TERMINATION FOR DEFAULT</u>
a)	ACTREC, may without prejudice to any other remedy for breach of contract, by written notice of default, sent to the contractor, for termination of this contract in whole or in part;
b)	If the bidder fails to deliver any or all the work within the time period (s) specified in the contract, or any extension thereof granted by ACTREC.
c)	If the bidder fails to perform any other obligation(s) under the contract.
d)	If the bidder in either of the above circumstances, does not remedy his failure within a period of 15 days (or such longer period as ACTREC may authorize in writing) after receipt of the default notice from ACTREC on a notice period of 30 days.
e)	In the event of ACTREC terminate the contract in whole or in part pursuant to above para the ACTREC may execute the work upon such term and in such manner as it deems appropriate work similar to those undelivered and bidder shall be liable to ACTREC for any excess cost for such similar work. However, the bidder shall continue the performance of the contract to the extent not terminated.
13	<u>ADDITIONAL OR EXTRA WORK</u>
a)	ACTREC reserve the right to place extra items other than schedule quantity for completion of given work order. In such cases the Engineer In-charge calculate the expenditure for supply and execution of such work by taking quotation from local agency and adding applicable levies, labor charges, incidental expenditure, profit etc. as per the normal procedure to arrive suitable rate. He may also obtain the expenditure of the extra item either from CPWD manual or from the work order executed for government organization for similar work in the recent past. If the quantity of work is exceeding more than 10%, Engineer-in-Charge should be informed the same and execution should be done only after prior approval.
b)	ACTREC also has the reserve to modify the quantity of items in work order to add/reduce/cancel as per the site requirements. Such additional quantity will be settled at the same rate and terms & conditions of the order on completion of work after taking final joint measurement.
c)	Bidder to inform in advance before executing additional/substitute quantity. Prior approval for the same should be obtained from ACTREC before execution.
14	<u>PAYMENT TERMS</u>
	Payment terms of ACTREC are given below.
a)	60% against delivery and satisfactory certification by engineer-In charge. (the contractor has to forward their bill enclosing the challans duly endorsed at security gate with receiver signature).

b)	20% against installation, Testing & commissioning with certification by Engineer In-Charge
c)	20% against handover of project and submission of approval certificates and handover of the system. (After all the parameters & functionalities has been checked and shown & confirmed with Dept.)
d)	Payment will be done as per actual measurement.
e)	Payment term other than above mention will not be accepted.
f)	Joint Measurement sheet & Bill should be certified by the engineers, HBCH, Varanasi and to be forwarded to ACTREC for processing of payment.
15	<u>FAIR WAGES</u>
	The bidder shall pay the monthly wages to the labors employed by him as per the minimum wages enforced by Labor Enforcement Authority of India on time to time in front of an ACTREC official, together with ESIC, Provident Fund, and Bonus etc. as applicable. The contractor will forward his bills for the work executed by him by attaching copies of salary slip signed by the worker for the current/previous month for early settlement of his bills.
16	<u>Other Special conditions (This conditions overrule other condition specified anywhere in contract as applicable)</u>
1	The work to be carried out as per the instruction of Engineer-in-charge
2	Material delivery challans to be submitted along with running and final bills
3	Deployed workers must have company I cards and should follow all safety as per the labour laws.
4	Material to be used of approved make with ISI mark as mentioned in schedule of rate and as per the instruction of Engineer-in-charge.
5	Space for storage of material during execution of work will be provided if available in the ACTREC Premises to the contractor. But risk of theft/damage is the contractor's risk and TMH/ACTREC is not responsible for any theft/damage/fire.
6	During execution of works, contractor has to take adequate care of ongoing patients care services.
7	No mobilisation or secured advance will be paid to contractor.
8	The Contractor should depute Supervisor/Engineer at site during execution of works on each and every day and night as per the instructions given by Engineer in charge.
9	If the contractor fails to clear the debris from premises then fine of Rs 10,000/truck will be charged and recovered.
10	Agency to bring his manpower to execute the works irrespective of quantity of work allotted.

I have read the Above instructions carefully and understood in right perspective and agreed.

Compliance form-1

Tender No.	TMC/ACTREC/Engg/HT/Hot water System/ET-78/2020			
Name of work:	Supply, Installation, Testing & Commissioning Hot Water System and MGPS at BMT wards of Homibhabha Cancer Hospital, Varanasi.			
Name of the Vendor				
Item No.	Description	Offered List of Make	We have read all item specification (Yes/No)	we have quoted against each item.(Yes/No)
1	Supplying,Installation, testing and commissioning of Energy Efficient Heat Pump System. Hot Water System comprises of high performance semi hermetic scroll/compressor, air cooled condenser. Machine is equipped with microprocessor based control, safety device, digital display unit, electrical panel, inbuilt primary Pump & Clean in place system. Heat Pump shall include all necessary valves, accessories along with pressure guages,temperature guages etc. Unit shall be supply with control panel and internal wiring. Make:-Kehems,Daikin, Trane			
	Heating Capacity : 72 KW			
	No. of Compressors circuit : Two			
	Hot Water Inlet/Outlet Temperature : 40/55 Deg C			
	Hot Water Generation/Hr. (From 25.0°C to 55.0°C) Pump - 2Nos - (1W + 1S) (19m Head & 6m3/hr Discharge)			
2	Chilled water piping out of M.S. heavy class ERW C -class pipe (pressure rating PN 16) confirming to relevant IS 1239 Code with neccessaary fittings,tik wood gutties for indoor and hard puff blocks for outdoor pipes, elbows, tees, reducers, Suitable MS/GI supportslake clamps,anchor fastners,tie rods,brackets, nut/bolts,etc as specified. chilled water pipe line with 50mm thermocol with 26G AL cladding. Pipe Make- Tata,Zenith,Jindal			
2.1	50 mm dia pipe			
3	SITC of insulated Butterfly Shut of Valves of Pressure Rating PN 16, complete with gaskets, suitable flanges, nutbolts as per relevent standards and specification. Make-Kitz,Audco,Danfoss			
3.1	50mm dia			
4	SITC of insulated CI Balancing Shut of Valves flanged ends of Pressure Rating PN 16, complete with SS-410 stem and disc, Epdm Sealing disc,gaskets, end flanges/matching flanges, thermal insulation,additional supports, fixing accessories, nutbolts as per relevent standards and specification. Make- Kitz,Audco,Danfoss			
4.1	50 mm dia			
5	Supply and installation of Y- Strainers including necessary mating flanges, gaskets, bolt& nuts and insulation. Make:-Itap,Emerald,NVR leader			
5.1	50 mm dia			
6	Supply and installation of 3 way valve including necessary mating flanges, gaskets, bolt& nuts and insulation. Make:- Siemens, Danfoss, Honeywell			
6.1	50mm dia			
7	SITC of Exhaust/Fresh air Fan with TEFC motor, drive assembly ,belt guard etc of 5500 CFM, 40MM SP Cabinet Direct drive fan with 20G GSS cabinet complete with inlet and outlet spigots, mounting brackets, access panel, filter, fixing arrangement fitted as standard. Forward curve DIDW impeller is diretcly driven by single phase Squirrel cage induction TEFC motor. with all necessary hardware and accesories as per instruction and as directed by OIC-ES. Make:- Caryaire, Kruger, Greenhack, Maico			
	MGPS Work			
8	Supply and installtion of the bed head panel (horizontal) should be made from high strength extruded Aluminium with anodized finish. The panel should not be flipped opened. The panel should have following configuration: Horizontal Bed Panels, w/1.5 mtr length Panel ,2 nos. 16 A. MCB, isolation wired, 2 nos. 16/6 Amp electrical switch/socket (RAW), 4 nos. 16/6 Amp electrical switch/socket (UPS), 3 Nos 6 Amp Elec. Room lights, RJ-45 Data Connector - 1 Each, Slot for Nurse-Call Bed unit Module, Prov.for 3 nos.elec.isolated medical gas outlets, Electrical Wiring factory harnesssed & tested. Make:- MDD, J.K.Engineering, Medisystem,Unitech			
9	SITC of MEDICAL GAS OUTLETS in Bed head panel. BS/German Standard and duly CE marked. Medical gas outlets With stainless steel probes. Make:-J.K. engineering, Active, S.K. engineering			
10	Oxygen Flow meter with Humidifier Bottle :- It should have Humidifying bottle with whole flow meter assembly, should be of light weight material.It should have backpressure compensated flow meter.It should provide accurate gas flow measure by 0-15 liter/m flow meter.Flow tube should be of good quality, transparent with measuring humidifying bottle.Flow meter should be fitted with matching adaptor (probe) for oxygen outlet point			
11	Ward Vacuum Unit :- It should include vacuum pressure regular up to 760 mm Hg with Dial gauge. Should have re-usable collection bottle 1000 ml made with a wall bracelet. Or unbreakable polycarbonate materials, fully auto-clavable along with safety device to prevent overflow and with a wall braket.Should be wall mounted and back flow resistance should have 600ml capacity with play contracted jar. The controller should be operated by means of a 180 degree on/off switch and a bonnet adjustment			

Item No.	Description	Offered List of Make	We have read all item specification (Yes/No)	we have quoted against each item.(Yes/No)
12	Supply and installtion of S.S 304 rail for Instrument Mounting as per instruction and as directed by OIC-ES.			
13	SITC of Nurse call system with following comprising of : 08-Line, Central Display Unit, Std Bed Unit-08, Std. Handset-08, Toilet Emergency Unit-07, Door Display Unit-07, Emergency Alert-07, Shower Pull Cord, Bed Unit with Nurse Help Request Feature-08, Attendant Call Facility-08, Hospital Wide, Code Blue Alert Feature-08, Drip Sensor Module for Critical Area-08, Two Way Speech facility between Patient & Nurse-08, Computerised Nurse-Call Response Monitoring(NCRM)-08. system should include with related Cabling, condulting, inserting of plastic/ metal boxes and other hardware and supports as per instruction and as directed by OIC-ES.

Compliance form-2

Tender No.	TMC/ACTREC/Engg/HT/Hot water System/ET-78/2020	
Name of work:	Supply, Installation, Testing & Commissioning Hot Water System and MGPS at BMT wards of Homibhabha Cancer Hospital, Varanasi.	
Name of the Vendor		
Sr. No	Description	Compliance from agency
1	We have understood technical requirements and understood the same in right perspective.	
2	We have quoted for all the items in Financial Bid in the prescribed format of the tender documents.	
3	We have read the financial bid thoroughly before filling it and understood the same in right perspective	
4	We understood that partial/incomplete/vague offers are liable for rejection.	
5	We have understood the eligibility criteria as well as criteria for identifying lowest bidder.	
6	There are deviations from our(bidder) side.	
7	Deviations have been mentioned on separate page and attached with technical bid in detail. Deviation is supported with necessary documents, catalogues etc.	
8	We have noted that accepting or rejecting the deviation and consequently rights to qualify and disqualify the agency remains with competent authority of TMC- ACTREC.	
9	We have understood and accepted that accepting the tender & issuing order in full or in part will be decided by the TMC-ACTREC competent authority as per policy of the centre.
