4	PAN (Permanent Account Number) Registration
5	GST registration number
6	OEM authorization certificate (For Supply, installation, Service) If applicable
7	CA certificate for annual turn over, profit loss during last 3 years.
J	UNDERTAKING as under:-
1	I/We undertake and confirm that eligible similar works(s) has/have not been got executed through another contractor on back to back basis. Further that, if such a violation comes to the notice of Department, then I/we shall be debarred for bidding in DAE in future forever. Also, if such a violation comes to the notice of Department before date of start of work, the Engineer-in-Charge shall be free to forfeit the entire amount of Earnest Money Deposit/Performance Guarantee.
	(Scanned copy to be uploaded at the time of submission of bid).
2	The intending bidder must read the terms and conditions as per “SECTION - 1: NOTICE INVITING TENDERS” OF “CONDITIONS AND CLAUSES OF CONTRACT -” carefully. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required. Department reserves the right of Non-consideration of Tender documents of the agencies who are not fulfilling the NIT stipulations and / or having adverse report on the works carried out by them in the past. Agency to ensure that he is eligible to provide desired services.
3	Information and Instructions for tenderers posted on website shall form of tender document.
4	Hard copy of Technical Bid shall be submitted in ACTREC before due date and time. Hard copy should have all the documents as uploaded on line. It may be noted that both the versions of technical bid submission is necessary before due date and time.
5	OBTAINING OF STANDARD DOCUMENTS: In addition to the above, the prospective agencies shall be required to possess following documents with them separately, which shall form part of Tender Documents for this work. These documents can be downloaded from the ACTREC's website (tender section on www.actrec.gov.in) or can be purchased separately on payment of prices indicated. In case the agencies already possess these standard documents with them, the same need not be downloaded / purchased again. Printed books are available at the Engineering Services, TMC-ACTREC, Kharghar, Navi Mumbai- 400 210. Payment for the same can be made in cash or in the form of DD drawn in favor of Accounts Officer, ACTREC, payable at Navi Mumbai as indicated below:
	NAME OF DOCUMENT

	<p>Conditions and Clauses of Contract - 2008. Available for FREE OF COST in Engineering Services office, 2nd Floor, Khanolkar Shodhika, ACTREC.</p> <p>OR</p> <p>This document can also be downloaded from our website www.actrec.gov.in. After taking a print out, it should be duly signed, stamped and enclosed in Technical bid envelope.</p>
6	The bid can only be submitted after uploading the mandatory scanned documents such as Demand Draft or Pay order or Banker`s Cheque or Deposit at call Receipt or Fixed Deposit Receipts and Bank Guarantee of any Scheduled Bank towards cost of tender document and EMD in favor of "ACCOUNTS OFFICER, ACTREC" and Processing Fee in favor of "ITI LIMITED, NEW DELHI" and other documents as specified.
7	Those contractors not registered on the website mentioned above, are required to get registered. If needed, they can be imparted training for online bidding process as per details available on the website.
8	The intending bidder must have valid class-III digital signature to submit the bid.
9	On opening date, the contractor can login and see the bid opening process.
10	Certificate of Financial Turn Over: At the time of submission of bid, contractor may upload Undertaking / Certificate from CA mentioning Financial Turnover of last 3 years or including profit & loss statements and further details if required may be asked from the contractor after opening of technical bids. There is no need to upload entire voluminous balance sheet. This should be certified by CA.
11	Contractor must ensure to quote rate of each item. The column meant for quoting rate in figures appears in YELLOW colour and the moment rate is entered, it turns SKY BLUE . In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as "0" . Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as "0" (ZERO). in the schedule of quantities, if rates are not quoted for items or if a firm quotes " NIL/N.A./Not applicable/----/ Leaving blank space etc." charges, the bid shall be treated as unresponsive and will not be considered. DO NOT use vague terms . Insert required information with clear meaning in technical bid & financial bid.
12	In the case of bids in three stage system and if it is desired to submit revised financial bid then it shall be mandatory to submit revised financial bid. If not submitted then the bid submitted earlier shall become invalid.
13	The Department reserves the right to accept / reject any prospective application without assigning any reason thereof.
14	Short listing of the agencies shall be subject to thorough verification of their credentials and inspection of works carried out by them, through a Technical Evaluation Committee of experts, constituted by ACTREC
15	IF ANY INFORMATION FURNISHED by the applicant is found to be incorrect at a later stage, they shall be liable to be debarred from tendering / taking up works in TMC.
16	PROSPECTIVE AGENCIES SHALL SATISFY THEMSELVES OF FULFILLING ALL THE NIT CRITERIA BEFORE SUBMISSION OF TENDER. Department reserves the right of non consideration of tender of the agencies not fulfilling the stipulated criteria.
17	Any Additional work needs to be executed for completion of work, CPWD latest rates will be considered.
18	TMC-ACTREC does not guarantee opening of the tender immediately after the closing date and time due to reasons beyond its control and hence tenders can be opened after the due date and time also. It will however will be ensured that no offers are submitted after tender closing date and time. Vendors cannot submit/modify any offer or attach any file to it after closing date and time as stipulated in the tender notice. System does not permit any alternation, modification, deletion of any entry or condition, offered by the tenderer in the e-tender, after closure of the virtual date and time.
19	ACTREC will not be responsible for any kind of technical problem at Vendor's end in case of difficulty in up loading of tender. Agencies are advice to finish the uploading of tender well before time. No tender will be accepted by ACTREC at later stage that could not be uploaded because of unforeseen technical problems.
20	Bidders who have successfully up loaded the tender documents and forwarded physical (hard) copies of the Technical Bid before due date and time will only be considered. Please note that bidder will have to finish both the activities to proceed further. Otherwise bidders will be disqualified.
21	All papers submitted with the tender should bear the signature and stemp of the tenderer on every page.
22	All information in this tender shall be in English only.
23	Rate quoted should be in Indian currency only.
24	Tender containing clerical errors, typographical error/ arithmetical mistake may be libel to be rejected.

25	All the rates quoted with basic cost and GST as applicable
26	Only one rate shall be offered for the Item. Multiple rates against one item shall be rejected.
27	The tenderers shall quote rates which shall remain valid for acceptance by ACTREC for a period of 12 months or stipulated time limit as mentioned in the tender documents.
28	only lowest offer may be considered for financial negotiations.
29	Performance Gaurantee: Performance Gaurantee will have to be submitted at the rate of 5% of the contract value valid for 2 Months after completion of work to be submitted within 15 days of issue of Letter of Intent.
30	Security Deposit will be deducted @ 2.5% of work order value from the running bills and will be refunded after completion of defect liability period of one Year. Submission of more than one Tender by a particular Tenderer under different names is strictly prohibited. In case it is detected later that this condition has been violated all the tenders submitted by Tenderer would be rejected or cancelled and earnest money or security deposit will be forfeited in addition to such legal action as may be deemed fit and proper.
31	Canvassing in connection with tender/quotation is strictly prohibited.
32	Director-ACTREC reserves right to reject any or all the quotations or allot part of the work to different agencies without assigning any reason.
33	Mode of measurement will be as per the guidelines laid in the Departmental conditions of contract & technical specifications.
34	Awarding work order will be strictly as per departmental norms/policies as decided by Competent Authority of TMC-ACTREC.
35	In case holiday falls on the date of opening on the technical bid & due to any other Inappropriate reasons, tender could not be opened shall be opened on next working day.
36	Lowest bidder will be identified on the basis of total basic cost quoted in financial bid those who have already qualified in technical bid.

I have read the Above instructions carefully and understood in right perspeticve.

2	There shall be a screening committee appointed by Director ACTREC to examine the list of documents desirable as per terms & conditions attached to the Tender and to report in details on the eligibility of tenderers for further examination to the competent authority. The Tenderers are required to produce the original documents for verification if required for the screening committee.
3	Agency who carried out similar nature and magnitude of work supply, installation, testing, commissioning Fiber optic cable, networking, telephone system cabling etc with allied electrical works.
4	Lowest bidder will be identified on the basis of basic cost only quoted in financial bid those who have already qualified in technical bid. GST will be extra as applicable.
5	Bidders should have their office / technical support team in the vicinity of Navi Mumbai/Mumbai area. (MMRD)
6	Agency will have to quote for <u>one brand only</u> . List of make is provided for reference. Third party components needs to be disclosed in Compliance form for technical evaluation and acceptance. Do not right LOCAL make.
7	Competent Authority reserves right to accept or reject the offer in whole or in part and award the work in whole or in part, as per norms/policies accepted by the centre.
8	Transportation of materials from the factory to ACTREC installation site respectively, unloading, keeping the same at site appropriately and placing as per the instructions of Engineer-in-charge.
9	Agency to submit all relevant documents, test reports/certificates, post installation servicing if any.
10	Agency is responsible to any hazards or damage occurs to the ACTREC infrastructure buildings and insurance of this comes in their account during work execution.
11	Once the order is issued, agency has to contact respective engineer-in-charge for administrative activities, challans, gate pass, submission of bills, any other site related activities etc.
12	ACTREC requires that the successful agency will enter in to an agreement for on above Subjected work mutually agreed terms and conditions on placement of order.
13	The tenderer/Bidder should be competent enough to deal with the business of the tendered item technically and financially and should have adequate man-power having prescribed qualification (Skilled & Technical) required for managing the business.
	<u>Inspection & Test:</u>
1	The Purchaser shall have the right to inspect and/or test the equipment for conformity to the Contract Specifications
2	In case any inspected or tested equipments fail to conform to the specifications, the Purchaser may reject them and the supplier shall either replace the rejected equipments or make all alterations necessary to meet specification requirements free of cost to the Purchaser. The purchaser is open to charge any penalty in this regard.
3	Supplier shall provide installation and standard tests for the individual equipment before the delivery of the system at site.
4	The supplier shall test each individual equipment and the complete system after installation at site and prepare a test report. This shall be compared with the factory test report to ensure that there is no deterioration in the equipment parameters during storage, transportation and installation.
5	Leaflets, equipment manuals (hard copy, Compact Disk, DVD etc) and literature should be attached for ready references along with complete documentation of all the measurements conducted during installation period which shall be submitted by the supplier for future reference.
6	The technical problems faced during installation, testing and commissioning period and their solutions shall be submitted by the supplier at the time of handing over the completed works.
7	For the purpose of taking over the equipment/system supplied pursuant to this contract, an acceptance test shall be carried out at the Purchaser/Consignee's destination site. The equipment which meets the acceptance test shall only be accepted by the Purchaser.
8	(a) Acceptance Test at site shall be conducted of individual equipment and complete system to ensure that individual equipment and complete system meets the technical specifications and other operational and technical requirements of tender
9	(b) The Purchaser shall have the right to reject any individual equipment or complete system, if in its opinion the same does not meet technical specifications, operational or technical requirements. The decision of the purchaser in this regard shall be final

10	(c) The delivery, installation or commissioning shall not be deemed to have been completed unless all the equipments and systems are accepted by the purchaser
11	Before the equipment is taken over by the Purchaser/Consignee, the Supplier shall provide manuals of the equipment/systems. This shall include the following: i) System Interface Drawings, Wiring diagrams ii) System Interconnection and Block diagrams iii) User Operation Manuals iv) Equipment Maintenance Manuals
	<u>PRICE BID</u>
1	The tenderer should quote the price exclusive of GST and levies of the each items on the Schedule of Quantity enclosed with the tender documents and signature & stamp thereon each page, in separate sealed cover, super scribing name of work indicating 'PRICE BID'. (Price bid submitted other than above form will be rejected). Partial/incomplete offers are liable for rejection as the entire work is considered as one work and Lowest bidder will be identified on the basis of basic cost only quoted in financial bid those who have already qualified in technical bid. GST will be extra as applicable. If the tenderer does not qualify himself in the technical bid, the price bid offered will not be entertained. In case of unsuccessful bidders in the technical bid, price bid will not be opened and would be returned (if required).
2	in the schedule of quantities, if rates are not quoted for items or if a firm quotes " NIL/N.A./Not applicable/----/ Leaving blank space etc." charges, the bid shall be treated as unresponsive and will not be considered.
3	Validity of rates: 120 Days from the opening of the tender.
4	Defect Liability Period: 1 Year
5	Stipulated time for completion of work : 60 Days from the date of issue of Work Order.
6	Variation in rates will not be allowed and will not be payable.
	<u>LIQUIDATED DAMAGE</u>
1	Successful tenderer will have to commence/execute the work as per the order placed by email/soft copy/LOI/Work order within the stipulated time period mentioned in the order. In failure to do so, the performance security submitted by the firm will be forfeited. In the event of the contractor fail to comply with conditions of this contract, he shall be liable to pay a compensation for non commitment of work as per order or for the delay an amount equal to 1% per month delay to be computed on per day basis, provided that the entire amount of compensation to be paid shall not exceed 10% of the estimated cost of the work. If the work is not completed within the stipulated time period as mentioned in the work order or inferior nature of work, the engineer in-charge has the right to terminate the whole work or part and get the work done from other agency at the risk and cost of tenderer and access money will be recovered from any dues. Liquidated damage can be recovered from EMD, Performance Security, Security Deposit or running bills of the Tenderer. Extension in delivery of work will not be given except in exceptional circumstances. The defaulting tenderer will be debarred from participant of any tender of TMC.

	<u>ARBITRATION</u>
1	In the event of any dispute arising between ACTREC and the contractor in any matter covered by this contract or arising directly or indirectly there from or connected or concerned with the said contract in any manner of the implementation of any terms and conditions of the said contract, the matter shall be referred to the Director, ACTREC who may himself act as sole arbitrator or may name as sole arbitrator an officer of ACTREC/TMH notwithstanding the fact that such officer has been directly or indirectly associated with this contract and the provisions of the Indian Arbitration Conciliation Act, 1996 shall apply to such arbitration. The contractor expressly agrees that the arbitration proceedings shall be held at MUMBAI/NAVI MUMBAI.

	<u>DIRECTOR-ACTREC/THE TENDER COMMITTEE / TENDERING AUTHORITY / UNDERSIGNED RESERVE THE RIGHT:</u>
1	To reject any / or all the Tenders at any stage without assigning any reason there of and not accept the lowest Tenders.
2	To invite fresh offers from the open market or negotiate with other tenderers quoting higher rate to come down to the lowest rate of the item offered by the competitors in the tenders.
3	To procure any item of the tender directly from State / Central govt. Undertaking at government rate even if a tender of other parties for the same item has been offered / accepted / approved.
4	To reject abnormally low price of an item quoted by the tenderer in the Tender with some malafide intention.
5	Officer authorised on behalf of the Director-ACTREC does not bind himself/herdelf to accept the lowest or any other offer & reserve the right to cancel, reduce or split the contract on more than one source without assinging any reason for such action.
6	DIRECTOR-TMC/ACTREC reserves right to accept the tender in full or part with out assigning any reason.
	<u>RISK PURCHASE</u>
1	In the event of failure to execute the contract to the satisfaction of the engineer in-charge he has the reserves the right:

2	To reject any part of the contract executed and withhold payment for such portion of the contract till such time the defects are rectified to the satisfaction of the Engineer In-charge.
3	To terminate the contract by giving 2 weeks notice in writing without assigning any reason and to get the contract executed by other agency at the risk and cost of the contractor.
	<u>GENERAL LIEN</u>
1	Whenever under this contract any sum of money is recoverable from and payable by the contractor, ACTREC shall be entitled to recover such sum by appropriating in part or in whole the security deposit of the contractor, if a security is taken from the contractor. In the event of the security being insufficient or if no security has been taken from the contractor, the balance or the sum recoverable, as may be shall be deducted from any sum due to the contractor or which at any time thereafter may become due to the contractor under this or any other contract with the ACTREC. Should this sum be not sufficient to cover the full amount recoverable, the contractor shall pay to the ACTREC on demand the remaining balance due.

	<u>RECTIFICATION OF WORK/REPLACEMENT OF DEFECTIVE SUPPLY</u>
1	In any supply item or any part of work is found defective or fails to meet the requirements of the contract before it is accepted, the ACTREC shall give the contractor a notice setting forth details of such defects or failures and the contractor shall forthwith arrange to set right the defective work or replace the defective supply by the good one to make it comply with the requirements of the contract. This in any case shall be completed within a period not exceeding one month from the date of the initial report pointing out the defects. The replacement or rectification shall be made at site by the contractor at free of cost. Should the contractor fail to do the needful within this stipulated time frame, ACTREC reserves the right to reject the work/equipment in full or in part and get it replaced at the cost of the contractor. The cost of any such replacement made by the ACTREC shall be deducted from the amount payable to the contractor against this work order.

	<u>TERMINATION FOR DEFAULT</u>
1	ACTREC, may without prejudice to any other remedy for breach of contract, by written notice of default, sent to the contractor, for termination of this contract in whole or in part;
2	If the contractor fails to deliver any or all the work within the time period (s) specified in the contract, or any extension thereof granted by ACTREC.
3	If the contractor fails to perform any other obligation(s) under the contract.
4	If the contractor in either of the above circumstances, does not remedy his failure within a period of 15 days (or such longer period as ACTREC may authorize in writing) after receipt of the default notice from ACTREC on a notice period of 30 days.
5	In the event of ACTREC terminate the contract in whole or in part pursuant to above para the ACTREC may execute the work upon such term and in such manner as it deems appropriate work similar to those undelivered and contractor shall be liable to ACTREC for any excess cost for such similar work. However, the contractor shall continue the performance of the contract to the extent not terminated.

	<u>ADDITIONAL OR EXTRA WORK</u>
1	ACTREC reserve the right to place extra items other than schedule quantity for completion of given work order. In such cases the Engineer In-charge calculate the expenditure for supply and execution of such work by taking quotation from local agency and adding applicable levies, labor charges, incidental expenditure, profit etc. as per the normal procedure to arrive suitable rate. He may also obtain the expenditure of the extra item either from CPWD manual or from the work order executed for government organization for similar work in the recent past. If the quantity of work is exceeding more than 10%, Engineer-in-Charge should be informed the same and execution should be done only after prior approval.
2	ACTREC also has the reserve to modify the quantity of items in work order to add/reduce/cancel as per the site requirements. Such additional quantity will be settled at the same rate and terms & conditions of the order on completion of work after taking final joint measurement.
3	Agency to inform in advance before executing additional/substitute quantity. Prior approval for the same should be obtained from ACTREC before execution.

	<u>PAYMENT TERMS</u>
1	Payment terms of ACTREC are given below.
2	60% against delivery (the contractor has to forward their bill enclosing the challans duly endorsed at security gate with receiver signature).
3	20% against installation testing and commissioning
4	20% against completion of work. (After all the parameters & functionalities has been checked and shown & confirmed with Dept.)
5	Payment will be done as per actual measurement.
6	Payment term other than above mention will not be accepted.
	<u>FAIR WAGES</u>
1	The contractor shall pay the monthly wages to the labors employed by him as per the minimum wages enforced by Labor Enforcement Authority of India on time to time in front of an ACTREC official, together with ESIC, Provident Fund, and Bonus etc. as applicable. The contractor will forward his bills for the work executed by him by attaching copies of salary slip signed by the worker for the current/previous month for early settlement of his bills.

	<u>SAFETY</u>
1	All the contractors personnel working shall be complete with approved safety Services wherever a potential hazard to personnel exists and with provision for safe access of personnel to and around equipment for operational and maintenance functions. It shall be the responsibility of the contractor that all necessary safety measures and precautions are invariably ensured while performance of the contract work and CLIENT shall not be responsible for any injuries / accidents suffered by contract labour. The workers are required to follow the safety rules while working. The sufficient no. of safety gadgets such as, safety shoes, gumboots, earplugs, helmets, safety belts & HT/LT hand gloves etc. as and when required are to be made available to them. The agency is required to provide First Aid Box with all accessories at suitable location during contract period.
	<u>FORCE MAJEURE</u>
1	Neither the Contractor nor shall be considered in default in performance of their contract, as long as such performance is prevented or delayed because of legal strikes, war, hostilities revolution, civil commotion, epidemics, accidents, fire, cyclone, flood, or because of any Law & Order proclamation, regulation or ordinance of Government or sub-division thereof or because of any Act of God, provided it shall promptly in any case not later than 14 days of happening of the event, notify the other, the details of the Force Majeure and influence on its activities under the contract. The proof of existence of force majeure shall be provided by the party claiming it, to the satisfaction of the other party.
	<u>Note</u>
1	Agency to assess the nature of work by visiting the site well before tender is submitted. Agency may attend pre-bid meeting for clarifications.
2	Agency may attend pre-bid meetings.
3	Deviations/suggestions may be put on separate page in order to attain higher quality performance. Competent authority reserves full right to accept or reject any kind of changes.
4	Agency also have to submit compliance form-1,2 and make which is commitment against Tender/work requirements.
5	Technical strength, expertise in after sales service and application support of the tenderer/bidder will be the one of the most important criteria for technical suitability.
6	Literature/Certificate containing the information of the life of the equipment should be submitted. This criteria is very important and to be noted as a special condition for the tender acceptance
	<u>Other Special conditions (This conditions overrule other condition specified anywhere in contract as applicable)</u>
1	The work to be carried out as per the instruction of Engineer-in-charge
2	Material delivery challans duly endorsed at security gate at the time of material delivery to be submitted along with running and final bills
3	Deployed workers must have company I cards and should follow all safety as per the labour laws.
4	Material to be used of approved make with ISI mark as mentioned in schedule of rate and as per the instruction of Engineer-in-charge.
5	Space for storage of material during execution of work will be provided if available in the ACTREC Premises to the contractor. But risk of theft/damage is the contractor's risk and TMH/ACTREC is not responsible for any theft/damage/fire.
6	During execution of works, contractor has to take adequate care of ongoing patients care services.
7	No mobilisation or secured advance will be paid to contractor.
8	The Contractor should depute Supervisor/Engineer at site during execution of works on each and every day and night as per the instructions given by Engineer - in charge.
9	If the contractor fails to clear the debris from premises then fine of Rs 10,000/truck will be charged and recovered.
10	Agency to bring his manpower to execute the works irrespective of quantity of work allotted.
