iV)	Company Registration certificate
23	UNDERTAKING as under:- (Scanned copy to be uploaded at the time of submission of bid).
	I/We undertake and confirm that the contracted works shall not be got excecuted through sub-contract
	on back to back basis. Further that, if such a violation comes to the notice of Director-ACTREC,I/we shall be to be delegated as the case was to far hidding in factors. Also if each violation comes
	be liable to be debarred & black listed as the case may be for bidding in future. Also if such violation com
	to the notice of department before date of start of work, the Engineer in-charge shall be free to forfeit t
	entire amount of Earnest Money Deposit/Performance Guarantee.
	The intending hidden mount read the towns and conditions as you "CECTION 11 NOTICE INVITING TENDED
	The intending bidder must read the terms and conditions as per "SECTION – 1: NOTICE INVITING TENDER
24	OF "CONDITIONS AND CLAUSES OF CONTRACT – 2008" carefully. He should only submit his bid if
24	considers himself eligible and he is in possession of all the documents required. Director-ACTREC reserv
	the right of Non-consideration of Tender documents of the agencies who are not fulfilling the N
	stipulations and / or having adverse report on the works carried out by them in the past.
25	Information and Instructions for tenderers posted on website shall form basis of of tender document.
26	Hard copies of Technical Bid shall be submitted in ACTREC before due date and time. Hard copies sh

27	OBTAINING OF STANDARD DOCUMENTS: In addition to the above, the prospective bidders are required to possess all documents which form part of Tender Documents for this work. The required documents (Condition of Contract) can be downloaded from the ACTREC's website (tender section on www.actrec.gov.in). In case the agencies already possess these standard documents with them, the same need not be downloaded / obtain again. Printed books are available at the Engineering Services, TMC-ACTREC, Kharghar, Navi Mumbai– 400 210.
28	The bid can only be submitted after uploading the mandatory scanned documents such as Demand Draft or Pay order or Banker's Cheque or Fixed Deposit Receipts and Bank Guarantee of any Scheduled Bank towards cost of tender document and EMD in favor of "ACCOUNTS OFFICER, TMC-ACTREC" and Processing Fee in favor of "ITI LIMITED, NEW DELHI" and other documents as specified.
29	Those bidder who are not registered on the website mentioned above, are required to get registered. If needed, they can be imparted training for online bidding process as per details available on the website.
30	The intending bidder must have valid class-III digital signature to submit the bid.
31	On opening date, the bidder can login and see the bid opening process.
32	Certificate of Financial Turn Over: At the time of submission of bid, bidder may upload Undertaking / Certificate from CA mentioning Financial Turnover of last 3 years and including profit & loss statements and further details if required may be asked from the contractor after opening of technical bids. There is no need to upload entire voluminous balance sheet.
33	Bidder must ensure to quote rate of each item. The column meant for quoting rate in figures appears in YELLOW colour and the moment rate is entered, it turns SKY BLUE. In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as "0". Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as "0" (ZERO). in the schedule of quantities, if rates are not quoted for items or if a firm quotes "NIL/N.A./Not applicable/// Leaving blank space etc." charges, the bid shall be treated as unresponsive and will not be considered. DO NOT use vague terms. Insert required information with clear meaning in technical bid & financial bid.
34	The Director-ACTREC reserves the right to accept / reject any prospective application without assigning any reason thereof.
35	Short listing of the bidders shall be subject to thorough verification of their credentials and inspection of works carried out by them, through a Technical Evaluation Committee of experts, constituted by ACTREC
36	IF ANY INFORMATION FURNISHED by the bidder is found to be incorrect at a later stage, they shall be liable to be debarred from tendering / taking up works in TMC.
37	PROSPECTIVE BIDDER SHALL SATISFY THEMSELVES OF FULFILLING ALL THE NIT CRITERIA BEFORE SUBMISSION OF TENDER. Director-ACTREC reserves the right of non consideration of tender of the bidder not fulfilling the stipulated criteria.
38	Any Additional work needs to be executed for completion of work, CPWD DSR 2018 rates will be considered or cost analysis method
39	TMC-ACTREC does not guarantee opening of the tender immediately after the closing date and time due to reasons beyond its control and hence tenders can be opened after the due date and time also. It will however will be ensured that no offers are submitted after tender closing date and time. Bidder cannot submit/modify any offer or attach any file to it after closing date and time as stipulated in the tender notice. System does not permit any alternation, modification, deletion of any entry or condition, offered by the tenderer in the e-tender, after closure of the virtual date and time.

40	ACTREC will not be responsible for any kind of technical problem at Bidder's end in case of difficulty in a loading of tender. Bidders are adviced to finish the uploading of tender well before time. No tender will be accepted by ACTREC at later stage that could not be uploaded because of unforeseen technical problems.
41	Bidders who have successfully up loaded the tender documents and forwarded physical (hard) copies the Technical Bid before due date and time will only be considered. Please note that bidder will have finish both the activities to proceed further. Otherwise bidders will be disqualified.
42	All papers submitted with the tender shoud bear the signature and stamp/seal of the bidder on every pag
43	All information in this tender shall be in English only.
44	Rate quoted should be in Indian currency only.
45	Tender containing clerical errors, typographical error/ arthrmetial mistake may be lible to be rejected.
46	All the rates quoted shall be exclusive of all GST.
47	Only one rate shall be offered for the Item. Multiple rates against one items shall be rejected.
48	The bidder shall quote rates which shall remain valid for acceptance by ACTREC for a perios of 12 months or stipulated time limit as mentioned in the tender documents.
49	Only lowest offer may be considered for financial negotiations.
50	Performance Gaurantee: Performance Gaurantee will have to be submitted at the rate of 3% of the contract value valid for 2 Months after completion of work to be submitted within 15 days of issue of Letter of Intent.
51	Security Deposit will be deducted @ 2.5% of work order value from the running bills and will be refunded after completion of defect liability period of three Year.
52	Submission of more than one Tender by a particular Tenderer under different names is strictly prohibited. In case it is detected later that this condition has been violated all the tenders submitted by Tenderer would be rejected or cancelled and earnest money or security deposit will be forfeited in addition to such legal action as may be deemed fit and proper.
53	Canvassing in connection with tender/quotation is strictly prohibited.
54	Director-ACTREC reserves right to reject any or all the quotations or allot part of the work to different agencies without assigning any reason.
55	Mode of measurement will be as per the guidelines laid in the Departmental conditions of contract & technical specification.
56	Awarding work order will be stricktly as per department norms/policies as decided by competent Authorities of TMC.

I have read the Above instructions carefully and understood in right perspecticve.

4	Spare Parts:
	The Bidder will undertake that supplies of necessary maintenance equipment and spare
a)	parts will be made available for all items/equipments and the complete system for at
,	least ten years on a continuing basis. However, this does not relieve the supplier of any
	warranty obligations under the Contract
	The Bidder shall include in his tender or saperately, the details of essential spares, their quantity and unit prices as per schedule of requirements. Detailed explanation to
b)	confirm that quantity of spares quoted as per requirement of this clause shall be given
	commit that quantity of spares quoted as per requirement of this clause shall be given
c)	In addition to the essential spares, Bidder shall indicate additional recommended
	quantities of spares for efficient maintenance of the equipment and the systems.
5	PRICE BID
	The tenderer should quote the price exclusive of all taxes and levies of the each items
	on the Schedule of Quantity enclosed with the tender documents and signature & stamp
	thereon each page, in separate sealed cover, super scribing name of work indicating
	'PRICE BID'.(Price bid submitted other than above form will be
- 1	rejected).Partial/incomplete offers are liable for rejection as the entire work is
a)	considered as one work and L1 will be decided by adding rates/amounts quoted for
	entire items of Schedule of Quantity as a composite work. If the tenderer does not
	qualify himself in the technical bid, the price bid offered will not be entertained. In case
	of unsuccessful bidders in the technical bid, price bid will not be opened and would be returned (if required). Price Bid is only in the form of ON LINE version.
	returned (if required). Price Bid is only in the form of ON Line version.
	in the schedule of quantities, if rates are not quoted for items or if a firm quotes "
b)	NIL/N.A./Not applicable// Leaving blank space etc." charges, the bid shall be treated
	as unresponsive and will not be considered.
c)	Validity of rates: 120 Days from the opening of the tender.
d)	Defect Liability Period: 1 Years warranrty after completion/handing over of project.
e)	Stipulated time for completion of work : 90 Days
6	LIQUIDITED DAMAGE

a)	Successful tenderer will have to commence/execute the work as per the order placed by email/soft copy/LOI/Work order within the stipulated time period mentioned in the order. In failure to do so, the performance security submitted by the firm will be forfeited. In the event of the contractor fail to comply with conditions of this contract, he shall be liable to pay a compensation for non commitment of work as per order or for the delay an amount equal to 1.0% per month delay to be computed on per day basis, provided that the entire amount of compensation to be paid shall not exceed 10% of the estimated cost of the work. If the work is not completed within the stipulated time period as mentioned in the work order or inferior nature of work, the engineer in-charge has the right to terminate the whole work or part and get the work done from other agency at the risk and cost of tenderer and access money will be recovered from any dues. Liquidated damage can be recovered from EMD, Performance Security, Security Deposit or running bills of the Tenderer. Extension in delivery of work will not be given except in exceptional circumstances. The defaulting tenderer will be debarred from participant of any tender of ACTREC.
7	ARBITRATION
a)	In the event of any dispute arising between ACTREC and the contractor in any matter covered by this contract or arising directly or indirectly there from or connected or concerned with the said contract in any manner of the implementation of any terms and conditions of the said contract, the matter shall be referred to the Director, ACTREC who may himself act as sole arbitrator or may name as sole arbitrator an officer of ACTREC/TMH notwithstanding the fact that such officer has been directly or indirectly associated with this contract and the provisions of the Indian Arbitration Conciliation Act, 1996 shall apply to such arbitration. The contractor expressly agrees that the arbitration proceedings shall be held at MUMBAI/NAVI MUMBAI.
8	DIRECTOR-ACTREC/THE TENDER COMMITTEE / TENDERING AUTHORITY / UNDERSIGNED RESERVE THE RIGHT:
a)	To reject any / or all the Tenders at any stage without assigning any reason there of and not accept the lowest Tenders.
b)	To invite fresh offers from the open market or negotiate with other tenderers quoting higher rate to come down to the lowest rate of the item offered by the competitors in the tenders.
c)	To procure any item of the tender directly from State / Central govt. Undertaking at government rate even if a tender of other parties for the same item has been offered / accepted / approved.
d)	To reject abnormally low price of an item quoted by the tenderer in the Tender with some malafide intention.
e)	Officer authorised on behalf of the Director-TMC does not bind himself/herdelf to accept the lowest or any other offer & reserve the right to cancel, reduce or split the contract on more than one source without assinging any reason for such action.
f)	DIRECTOR-TMC reserves right to accept the tender in full or part with out assigning any reasion.
9	RISK PURCHASE
a)	In the event of failure to execute the contract to the satisfaction of the engineer incharge he has the reserves the right:
b)	To reject any part of the contract executed and withhold payment for such portion of the contract till such time the defects are rectified to the satisfaction of the Engineer Incharge.
c)	To terminate the contract by giving 2 weeks notice in writing without assigning any reason and to get the contract executed by other agency at the risk and cost of the contractor.
10	GENERAL LIEN

a)	Whenever under this contract any sum of money is recoverable from and payable by the contractor, ACTREC shall be entitled to recover such sum by appropriating in part or in whole the security deposit of the contractor, if a security is taken from the contractor. In the event of the security being insufficient or if no security has been taken from the contractor, the balance or the sum recoverable, as may be shall be deducted from any sum duo to the contractor or which at any time thereafter may become due to the contractor under this or any other contract with the ACTREC. Should this sum be not sufficient to cover the full amount recoverable, the contractor shall pay to the ACTREC on demand the remaining balance due.
11	RECTIFICATION OF WORK/REPLACEMENT OF DEFECTIVE SUPPLY
a)	In any supply item or any part of work is found defective or fails to meet the requirements of the contract before it is accepted, the ACTREC shall give the contractor a notice setting forth details of such defects or failures and the contractor shall forthwith arrange to set right the defective work or replace the defective supply by the good one to make it comply with the requirements of the contract. This in any case shall be completed within a period not exceeding one month from the date of the initial report pointing out the defects. The replacement or rectification shall be made at site by the contractor at free of cost. Should the contractor fail to do the needful within this stipulated time frame, ACTREC reserves the right to reject the work/equipment in full or in part and get it replaced at the cost of the contractor. The cost of any such replacement made by the ACTREC shall be deducted from the amount payable to the contractor against this work order.
12	TERMINATION FOR DEFAULT
a)	ACTREC, may without prejudice to any other remedy for breach of contract, by written notice of default, sent to the contractor, for termination of this contract in whole or in part;
b)	If the bidder fails to deliver any or all the work within the time period (s) specified in the contract, or any extension thereof granted by ACTREC.
c)	If the bidder fails to perform any other obligation(s) under the contract.
d)	If the bidder in either of the above circumstances, does not remedy his failure within a period of 15 days (or such longer period as ACTREC may authorize in writing) after receipt of the default notice from ACTREC on a notice period of 30 days.
e)	In the event of ACTREC terminate the contract in whole or in part pursuant to above para the ACTREC may execute the work upon such term and in such manner as it deems appropriate work similar to those undelivered and bidder shall be liable to ACTREC for any excess cost for such similar work. However, the bidder shall continue the performance of the contract to the extent not terminated.
13	ADDITIONAL OR EXTRA WORK
a)	ACTREC reserve the right to place extra items other than schedule quantity for completion of given work order. In such cases the Engineer In-charge calculate the expenditure for supply and execution of such work by taking quotation from local agency and adding applicable levies, labor charges, incidental expenditure, profit etc. as per the normal procedure to arrive suitable rate. He may also obtain the expenditure of the extra item either from CPWD manual or from the work order executed for government organization for similar work in the recent past. If the quantity of work is exceeding more than 10%, Engineer-in-Charge should be informed the same and execution should be done only after prior approval.
b)	ACTREC also has the reserve to modify the quantity of items in work order to add/reduce/cancel as per the site requirements. Such additional quantity will be settled at the same rate and terms & conditions of the order on completion of work after taking final joint measurement.
c)	Bidder to inform in advance before executing additional/substitute quantity. Prior approval for the same should be obtained from ACTREC before execution.

receiver signature). 20% against installation, Testing & commissioning with certification by Engineer In-Charge 20% against completion/handover of project and submittion of NOC/License/Approval cerificates and handover of the system. ADVANCED CENTRE FOR TREATMENT RESEARCH AND EDUCATION IN CANCER (ACTREC).

A GRANT-IN-AID INSTITUTE UNDER DEPARTMENT OF ATOMIC ENERGY, GOVERNMENT OF INDIA

Compliance form-1

Tender No:	TMC/ACTREC/ENGG/HT/ET-01/pneumatic tube/2021	
Tender Nam	Supply, Installation, Testing & Commissioning of Pneumatic tube system for RRU and HWCC building at ACTREC.	

Name of the Vendor			
Item No.	Description	We have read all item specification (Yes/No)	we have quoted against each item.(Yes/No)
1	SITC of Central Control System Unit for PTS - Software with life time license for more than 50 station with license dongle & HardwareMicro processor controls for monitoring and coordinating all operation functions of a single/multiple zone system, reversing operation with the following components and functions. For the control/expandble of upto 10 Independent Stations , connected by means of a transfer unit with multi storage devices. Make:- Dell, Lenovo, HP		
2	Blower Device with Accessories - Three phase blower . For air supply of the system with a transport weight of upto 3000 grams and a transport speed of 5 m / seconds comprising. With all necessary accessories like Slow speed device ,Air reduction System alongwith airtube flexible & carrier stop , Silencer, Vibration absorber, contractor, Thermo relay, Anti Interference set, MSV, elbow, carrier brake etc . Motor -2.3 KW Minimum, 2880 RPM ,or as per OEM Standard Complete in all respect. Make:- Swisslog, Aerocom, Telecom		
3	Pnuematic - Tube Sation Station OD 110 mm - Suitable for Heavy Carrie Transport, Sending and receiving station, used as end station, tube approaching from above/below. Compact end station with RFID readers & Min 7" colour LCD touch screen Complete in all respect. Make:- Swisslog, Aerocom, Telecom		
5	Carrier Receiving Basket upto 5 Carriers - Rust proof Material with shock absorber. Make:- Swisslog, Aerocom, Telecom Accessories for Stations - Carrier rack - Rust proof Material for wall installation		
6	horizontally storage of upto 5 carriers. Make:- Swisslog, Aerocom, Telecom Carriers for transport of Radioactive Isotopes fitted with programmed transponders		
7	RFID - 110 MM , Imported Make:- Swisslog, Aerocom, Telecom Three way diverter - Pneumatically tight driverter. Absolutely sealed with maintenance free		
ŕ	Teflon bushing. Driving by cog-belt. Blocking of the free branches. 3 way diverter with all acessories and fixture . Make:- Swisslog, Aerocom, Telecom		
8	Switching power pack for the power supply of the system - 230 Volt AC - input. 1 x 24 Volt DC output. Short circuit proof with electronic fusing . Performance - 120 VA, Protection type - 20 IP. OR as per OEMs Standard. Make:- Swisslog, Aerocom, Telecom		
9	Disptach tube Imported made of weather proof, wear resistant, sound absorbing, hard PVC (Transperent/non Transperent) according to Class B1. Special surface treatment for polished inside and outside wall. Colour - RAL 700, Outside diameter - 160 mm, Wall thickness - 3.2 mm. Including suitable Bends (suitable for offered Carriers), connecting steel/pvc sleeves, fastening clamps, cable strips, bends, tube adhesive, solvent etc and all installation accessories. PTS tube with require core cutting in concrete floor slab at require coordinates, & fire sleeving the core cut in approval manner with approval material. Make:- Swisslog, Aerocom, Telecom		
10	Power & Communication cable of suitable size, Fastened along tube run by cable strips. For the connections of motor, Stations, Diverters and power packs. Specification: as per OEMs standard. Make:- Swisslog, Aerocom, Telecom		
11 12	Dispatch tube Imported as above - but Transperent Pnuematic tube station type Through station OD 110 mm Sending and receiving station , approach from below or above used as through or end station. Complete in all respect.		
13	Remote signals Indicator - audible -upto 10 m, visible flashing and buzzing . Complete in all respect		
14	Two way diverter - Pneumatically tight diverter. Absolutely sealed with maintenance free Teflon bushings. Driving by cog/teeth belt. Blocking of the free branch. 2 way diverter with all acessories and fixture . Make:- Swisslog, Aerocom, Telecom		
15	Comprehensive Maintanance Contract for a period 10 years to commence on exhaustion of DLP period(DLP period of 12 months After completion of Project)		
1	Comprehensive Maintenance Contract - 1 st Year		
2	Comprehensive Maintenance Contract - 2 nd Year		
3 4	Comprehensive Maintenance Contract - 3 rd Year Comprehensive Maintenance Contract - 4 th Year		
5	Comprehensive Maintenance Contract - 4 th Year

TATA MEMORIAL CENTRE ADVANCED CENTRE FOR TREATMENT RESEARCH AND EDUCATION IN CANCER (ACTREC).

A GRANT-IN-AID INSTITUTE UNDER DEPARTMENT OF ATOMIC ENERGY, GOVERNMENT OF INDIA

Compliance form-2

Tender No:	TMC/ACTREC/ENGG/HT/ET-01/pneumatic tube/2021	
	Supply, Installation, Testing & Commissioning of Pneumatic tube system for RRU and HWCC building at ACTREC.	

Sr. No	Description	Complaince from agency
1	We have understood technical requirments and understood the same in right perspective.	
2	We have quoted for all the items in Financial Bid in the prescribed format of the tender documents.	
3	We have read the financial bid thoroughly before filling it and understood the same in right perspective	
4	We understood that partial/incomplete/vague offers are liable for rejection.	
5	We have understood the eligibility criteria as well as criteria for identifying lowest bidder.	
6	There are deviations from our(bidder) side.	
7	Deviations have been mentioned on separate page and attached with technical bid in detail. Deviation is supported with necessary documents, catalogues etc.	
8	We have noted that accepting or rejecting the deviation and consequently rights to qualify and disqualify the agency remains with competent authority of TMC- ACTREC.	
9	We have understood and accpected that accepting the tender & issuing order in full or in part will be decided by the TMC-ACTREC competent authority as per policy of the centre.
