

Webinar on Immunology & Informatics on 12th March, 2021

Advanced Centre for Treatment, Research and Education in Cancer
(ACTREC-TMC)

Bioinformatics Webinar & Workshop
On theme "From Biology to Omics"

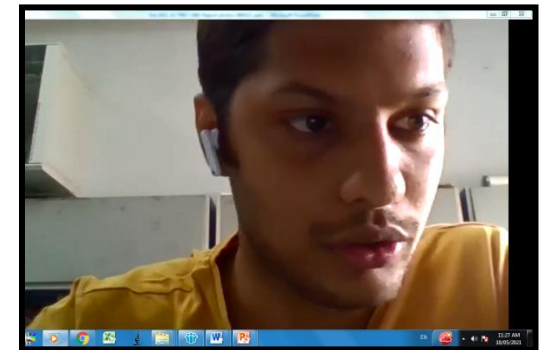

March 10-12, 2021

Friday, March 12th, 2021 : Immunology and informatics

Time	Orators	Talk title - Virtual-Online mode
9.30AM - 10.10AM	Dr. Jyoti Kode, ACTREC, Navi Mumbai	Introduction to Immunology & Immunoinformatics
10.10AM-10.50AM	Dr. Naren Joshi, Ex-ACTREC, Navi Mumbai	Basics of Immunoinformatics
10.50AM- 11.30AM	Dr. Meenakshi Singh, ACTREC, Navi Mumbai	Immunoinformatics of HLA Diagnostics: Implication in Hematopoietic Stem Cell Transplantation
11.30AM- 01.00PM	Dr. Sudhirdas Prayaga, Antibody Therapeutics, NJ, USA; Prayaga Scientific, Kochi, India	Immunoinformatics from sequences to practice (Lecture and demonstration)

Dr Jyoti Kode, Event Organizer

Mr Naythan Dcunha, Session Coordinator

Invited talks

Dr Naren Joshi

Dr Meenakshi Singh

Dr Sudhirdas Prayaga

Invited Talk by Dr Jyoti Kode

Immunology & Immunoinformatics

Webinar on “Omics to Biology”

10th - 12th March 2021

Dr Jyoti Kode

Scientific Officer 'F'
Tumor Immunology & Immunotherapy Group

jkode@actrec.gov.in

12th March, 2021

Invited Talk by Dr Naren Joshi

Window away from

Basics of Immunoinformatics

Narendra Joshi

Invited Talk by Dr Meenakshi Singh

Immunoinformatics of HLA diagnostics : Implication in Haematopoietic Stem Cell Transplantation

Dr. Meenakshi Singh PhD
Scientific Officer E
Officer in Charge

Transplant Immunology & Immunogenetics Laboratory
ACTREC, Tata Memorial Centre

12th March, 2021

Immunoinformatics From Sequences to Practice

Sudhirdas Prayaga, Ph. D.

President and CEO
Antibody Research Corporation

President and CEO
Allergy Sciences, Inc.

Chief Scientific Officer
Prayaga Scientific Laboratories, Pvt. Ltd.
