

Azadi ka Amrit Mahotsav

आजादी का अमृत महोत्सव

Webinar: October 4th, 2021 at 4.30pm

Talk - Title

:The weak hydrogen bond:
From crystal engineering to virtual screening

Speaker

Prof. Gautam R. Desiraju

Prof. Desiraju is one of the most highly cited Indian scientists with more than 490 research papers, 41,196 citations for research papers, 10,000 citations for books, and an h-index of 90. He has been in Indian Institute of Science, Bangalore, and in the University of Hyderabad. He has played a major role in the development and growth of the subject of crystal engineering. He is a former President of the International Union of Crystallography. He was awarded the ISA medal for science of the University of Bologna, Alexander von Humboldt Forschungspreis and the TWAS award in Chemistry.

Patron:

Prof. Sudeep Gupta
Director- ACTREC

Convener:

Dr. Ashok K Varma
Scientific Officer G & Coordinator
Bioinformatics Centre, ACTREC

Registration & General Information

- Registration is free. However, it is mandatory to register using following link :
<https://forms.gle/xZTTE6jxuknwS3W77>
- Webinar zoom link and the detailed Programme will be provided to the Registered Participants only.
