Tata Memorial Centre, Kharghar, Navi Mumbai
in association with
Central Ayurveda Research Institute, Mumbai
invites you to**

**समाकलन: AYUSH integration into modern medicine in health and disease
and Concept Note Development for AYUSH Research**

On October 17-18, 2024

'समाकलन' meaning integration in Sanskrit, reflects our mission to understand and unite the wisdom of AYUSH with modern medicine. This symposium brings together experts from AYUSH systems of medicine and modern evidence-based medicine to share knowledge and address integration challenges. Following this, a Concept Note Development Workshop, guided by clinicians, researchers and statisticians, will help young researchers transform their ideas into structured concept notes, laying the groundwork for capacity building, developing human resource and future research in integrative healthcare.

**Keynote
Speakers**

1. Dr. Bhushan Patwardhan
National Research Professor-AYUSH
2. Dr. Sudhir Krishna
Professor Emeritus, Transdisciplinary University

Speakers

1. Dr. Arvind Chopra
2. Dr. Ashwini Kumar Raut
